Fall Field Stroll at Spring Valley Park

The York County Department of Parks and Recreation will present “The Fields of Fall” hike from 2:00 – 3:30 p.m. on Sunday, November 8, 2009. The hike will start at the Line Road Parking area. Join park naturalist Amber Carothers to learn identification and the ecology of fall and winter fields. Participants will explore the wonders of fall fields while looking for hidden treasures such as praying mantis eggs. The group will also discover just how important fields are to certain animals large and small.

The program is free with pre-registration required. For more information or to pre-register, call Nixon County Park at (717) 428-1961.
